<p><b>ALARM SYSTEMS FOR OIL/PETROL SEPARATORS</b> with acoustic and visual alarm and potential-free relay contacts</p>	
<p><b>CONTROL UNIT</b></p>	
LAL-SRW	<p>Alarm system for oil/petrol separators. Alarm system for 2 sensors, oil layer &amp; high level OR silt &amp; high level options for oil/petrol separators. For DIN-rail mounting. Supply 230V AC. Demko 04 ATEX 136466 [EEx ia] IIB.</p>
<p><b>SENSORS</b></p>	
KVF-104	<p>Suspended sensor for oil layer thickness detection Layer sensor for oil/petrol separators. For connection to LAL-SRW. Incl. 5 m cable. Demko 05 ATEX 138222 Ex ia IIB T3.</p>
NVF-103/34	<p>Suspended sensor for overflow detection Overflow sensor for oil/petrol separators. For connection to LAL-SRW. Incl. 5 m cable. Demko 02 ATEX 131775 EEx ia IIB T3.</p>
SLU-103	<p>Suspended sensor for sludge layer detection Sludge sensor for oil/petrol separators. For connection to LAL-SRW. Incl. 5 m cable. Demko 05 ATEX 139277 Ex ia IIB T3.</p>
<p><b>SMS ALARM SYSTEMS FOR OIL/PETROL SEPARATORS</b> with visual alarm and built-in modem for SMS messages to mobile phone.</p>	
LAL-A6-GSM-EX3	<p>Alarm system for 3 sensors. Indicates high level, oil layer thickness and sludge layer in oil/petrol separators. For wall mounting. Supply 230V AC. Visual alarm and SMS text messages on alarm activation Demko 05 ATEX 139276 [Ex ia] IIB.</p>
LAL-A8-GSM-EX3	<p>Alarm system for 3 sensors. Indicates high level, layer thickness, and sludge layer in oil/petrol separators. For wall mounting. Battery supply. Visual alarm and SMS text messages on alarm activation Contains NVO5-BAT, battery box and 6 pcs. LR14 Alkaline industrial batteries. Demko 05 ATEX 139276 [Ex ia] IIB.</p>
LAL-D2-GSM-EX3	<p>Alarm system for 3 sensors. indicates high level, layer thickness, and sludge layer in oil/petrol separators. For wall mounting. 12-30V DC supply. Visual alarm and SMS text messages on alarm activation Solar panel kit available for this model. Demko 05 ATEX 139276 [Ex ia] IIB.</p>
<p><b>SENSORS</b></p>	
LAL1-D-EX	<p>Suspended sensor for oil layer thickness detection Digital layer sensor for oil/petrol separators. For connection to SMS alarm systems . Incl 5 m cable. Demko 05 ATEX 138222 Ex ia IIB T3.</p>
LAL8-D-EX	<p>Suspended sensor for overflow detection Digital ultrasonic overflow sensor for oil/petrol separators. For connection to SMS alarm systems. Incl 5 m cable Demko 05 ATEX 139277 Ex ia IIB T3.</p>
LAL9-D-EX	<p>Suspended sensor for sludge layer detection Digital ultrasonic sludge sensor for oil/petrol separators. For connection to SMS alarm systems. Incl. 5 m cable. Demko 05 ATEX 139277 Ex ia IIB T3.</p>
